LOCAL NEWS.

THURSDAY EVENING, FEBRUARY 20. Nor TRUE -The statement concerning the murder of Mrs. Patsey Mills, in Fairfax county last week, by a party of colored men, that has been going the rounds of the newspapers, turns out to be untrue. Mrs. Mills, an old lady who formerly attended the Alexandria market, was choked, and her house, near Vienna Station, on the Alexandria Loudoun and Hampshire Railroad, robbed, some week or so ago, but the old lady is now as well as ever. Two colored men, named Parker and Jordan, and a colored boy, were arrested and brought to Vienna soon after the offence was committed, as the guilty parties, but as no one appeared against them, they were released. Mr. J. B. Bowman giving security for their future appearance at Fairfax Courrt.

RIVER NEWS .- The ice is now pretty well broken up, and a current, or a heavy blow, would soon carry it all out of the river. Two Government tug boats, the Ariel and Fisher, made trips to Forts Washington and Foot this morning, for the first time since the late freeze. The Aquia Creek boats have not resumed their trips yet, but will, it is stated, in a day or two.

P. S .- Three o'clock p. m .-- The Ariel and Fisher having opened the track between Washington and this city, the Vanderbilt, of the Aquia Creek line, has just passed here on her way down the river. She returned this evening. The Keyport, of the same line, will resume her regular trips to-morrow morning.

DANGERS OF BENZINE. - Many persons seem not aware of the highly dangerous character of the article above named, which is so freely used for cleaning clothing, &c. Its extramely volatile, inflammable and explosive nature renders it very unsafe, when it is used near a fire or light. A little benzine poured into a tumbler or other broad vessel will evaporate in a few hours, and render the air of a small room nearly as explosive as if filled with coal gas. It should never be used in the vicinity of flame, and it is stated that flame will leap several feet to an open vessel of benzine through the medium of the volatalized fluid.

SECOND WARD RADICALS. - A meeting of the Second Ward Republican Club was held last night in the colored school house, corner of Pitt and Princess streets, which was presided over by C. W. Dewitt, and by a colored man named Blair, after which without transacting any important business the meeting adjourned until the night of Wednes-

DISCHARGED. - Mr. Robert Meade, the policeman who ejected the colored parties from the Washington and Alexandria Railroad cars, last week, at the depot of that railroad in this eity, and who was employed by the lessees of that road, was yesterday informed that his services as policeman were no longer required.

GERMAN BUILDING ASSOCIATION. - The organization of the German Building Association was finally completed last night, at the meeting held at the Eintracht rooms, in Washington Hall. The association starts with the most favorable auspices, and of its complete success no doubt is entertained.

CELEBRATION OF THE TWENTY-SECOND .-It is stated that the members of the Relief Hook and Ladder Company have determined to participate in the proposed firemen's celebration of the 22d of February in this city, and will, with their new truck, form part of the procession.

POLICE REPORT. - Alexandria, as judged by the appearance of the police courts this morning, is the most moral city of its size in the country. The records of the Mayor's and one body. The improvements are a Magistrates offices do not exhibit one arrest for the last twenty-four hours.

pleasant—and the ice continues to move.

ERRATA--There was a transposition of a line, in the conclusion of the second editorial article in yesterday's Gazette. The conclusion of the article should have read-"Is there any retrenchment in their own pay and emoluments? Do they ever retrench when it suits Radical policy to expend?"

The name of the newly elected Senator from Kentucky was spelled improperly. It is Thos. C. McCreery.
